Walter (Walt) E. Lindner

**Director
International Global Sales, Asia Pacific Region
Boeing Global Services**

Walter E. (Walt) Lindner is the International Global Sales representative for the Asia Pacific Region, responsible for Boeing Global Services sales in the region.

During his 25 years at Boeing, Walt has worked as the business development lead for Boeing Weapons Products in Asia Pacific, has been a regional international business development manager for all Boeing Defense, Space and Services products in the Middle East, and senior manager of business development for Boeing Unmanned Systems and ISR Services. He has worked on more than 15 successful competitive captures for both domestic and international campaigns. Early in his career, Walt held a number of design and engineering roles with McDonnell Douglas, including eight years working various design and process engineering roles on the F/A-18 and the F-15 programs. He was awarded seven U.S. patents for his work on new aircraft materials and processes on these aircraft programs.

Outside of Boeing, Walt spent 15 years managing international sales organizations working in business development and marketing for various aerospace suppliers.

Walt has an undergraduate degree in Chemical Engineering from the University of Missouri-Columbia and a Masters in Business Administration (MBA) from Lindenwood University.
